Dear Mr. Theriault:

Thank you for your e-mail of September 23, 2004 regarding the protection of White Moose. I have been asked to reply to you on behalf of the ministry.

The Ministry of Natural Resources (MNR) has primary responsibility for protecting and managing the province's wildlife and wilderness areas. MNR is also responsible for issuing hunting licences and enforcing sport-hunting activities. For more information, please visit the MNR web site at www.mnr.gov.on.ca.

You will also be interested to know that the Ontario Moose and Bear Allocation Advisory Committee is an independent advisory committee that provides advice to the Minister of Natural Resources. If you have not already done so, you might want to register your concerns with the committee by calling 807-737-2615 or by fax at 807-737-4173.

I have forwarded your e-mail to the attention of the Honourable David Ramsay, Minister of Natural Resources, so he will be aware of your interest in and concerns about White Moose.

Thank you, again, for bringing your comments to our attention.

Sincerely,

A handwritten signature in black ink, appearing to read "JA", written over a horizontal line.
